

MEET YOUR BOOKKEEPER

→ ALISON

As your dedicated bookkeeper, Ali will be your primary contact at [numble](#). While she continues her training as a BAS Agent, Alison's services comes with a bonus, Senior BAS Agent free of charge.

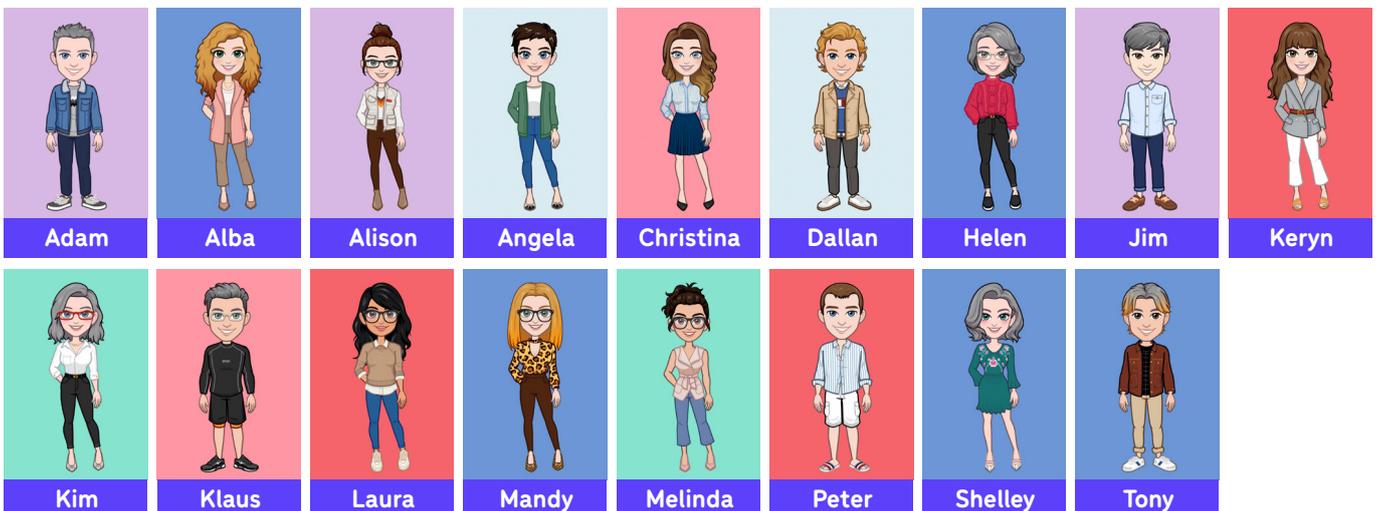

Alison can be reached at alison@numble.com.au or via phone on [1300 852 575](tel:1300852575)

Alison knows first-hand the challenges involved in running a small business. A former business owner herself, Alison or 'Ali' and even 'Stainless' to some, has plenty of tips and tricks to share! However, you better not catch her before she's had her morning coffee, and make it a double shot with a splash of milk while you're at it. Having finished her bookkeeping training, Ali is now well on the way to getting her BAS Agent certification.

Fun-loving and always up for a challenge, Ali grew up wanting to be a ballet dancer but instead settled for a pirouette of the books and a little Flamenco dancing with her sister on the side. If she invited you over for a fantasy dinner, you'd be treated to her signature Moroccan Lamb tagine and seated alongside an eclectic bunch of women including Lucille Ball, Anne Frank, Marilyn Monroe and Queen Elizabeth I. However, the one she'd truly love you to meet would be her hero, her Nanna, the most kind, patient, creative and funny woman she ever had the privilege of knowing. Loved by her colleagues and clients alike, Ali is sure to make your finances sing as well as she does to Gloria Gaynor's I Will Survive.

Every time you work with Ali, you are also supporting a young person living in a remote Indigenous community to develop their IT and literacy skills. A cause that resonates deeply with her, Ali believes that the chance to have a safe space to learn, build skills and grow confidence is one that every child deserves, no matter where they are born. Through the Indigenous Learning Hub, individuals are supported to participate in the social and working life of the community, taking vital steps towards a more inclusive Australia.

MEET THE REST OF THE TEAM

SMALL BIZ, BIG IMPACT

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through B1G1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
