

MEET YOUR BOOKKEEPER

→ CHRISTINA

As your dedicated bookkeeper, Christina will be your primary contact at [numble](#). Christina also mentors a number of our staff, so you may get a two-for-one deal on occasions, at no extra cost.

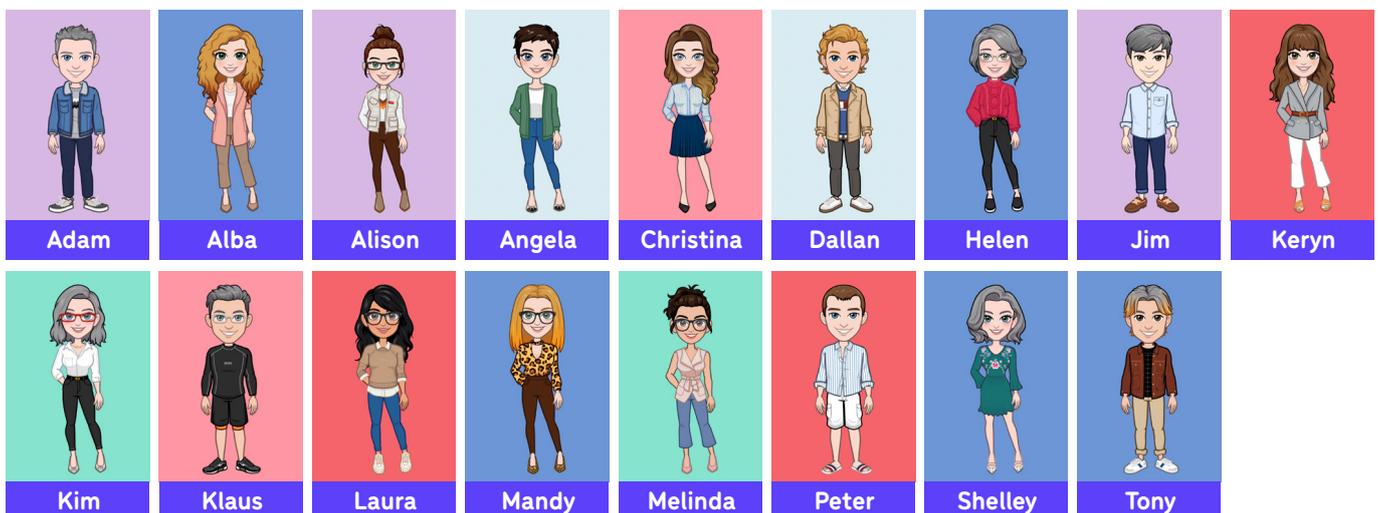

Christina can be reached at christina@numble.com.au or via phone on [1300 852 575](tel:1300852575)

Antipasto aficionado and avid horse rider, though not necessarily at the same time - Christina is one of our most experienced Senior Bookkeepers and staff mentors. When she's not finalising your financial reports, you might see her bopping along to Nova FM or belting out 'New York' on the karaoke mic. If given the choice between mowing the lawns and doing the dishes, she'd go for a walk on the beach!

Though, if given no other options - she'll do the dishes, but only if she can have a dance party at the same time. Noticing a theme? Christina is passionate about helping her clients realise their business dreams, and the fact that she does this while busting a move is just a bonus for us all.

Inspired by her hero, the late Nelson Mandela, Christina has chosen to provide clean water to schools in Zambia as part of our [Beyond numble](#) giving program. Having grown up in Austria, where water is plentiful and pure, and then arriving in Australia where droughts are common and water is scarce - Christina has become passionate about everyone's right to clean, safe water. She understands the devastating impact of not having access to clean water on children's health and development. So, while she loves nothing more than helping her clients succeed, she also wants to ensure that every child, everywhere, has access to clean water.

MEET THE REST OF THE TEAM

SMALL BIZ, BIG IMPACT

We believe in the power of small business to create big impact on the world. As part of living our values of giving, numble is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through B1G1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)
