

MEET YOUR BOOKKEEPER

→ DALLAN

As your dedicated bookkeeper, Dallan will be your primary contact at **numble**. While he continues his training as a BAS Agent, Dallan's services comes with a bonus Senior BAS Agent free of charge.

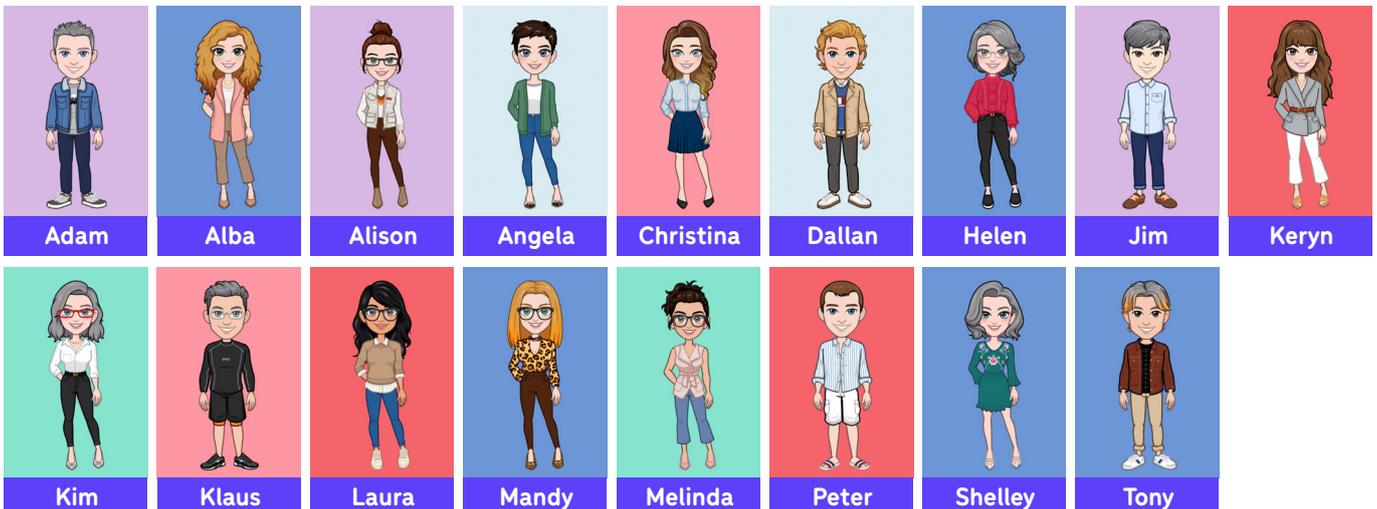

Dallan can be reached at dallan@numble.com.au or via phone on **1300 852 575**

Smart as a whip and keen to learn all he can about his new trade, Dallan is one of our newest bookkeepers and BAS Agents in training. Although he dreamt of becoming an astronaut as a child, these days his feet are planted firmly on the ground as a young father of three. After recently completing his Bachelor of Commerce (Accounting), Dallan is ready to embark on a career in financial services and support people to get their books in order.

From bookkeeping to beekeeping, Dallan is also a budding apiarist who has a collection of hives at his home in Brisbane and in surrounding suburbs. Though he might have to be careful he doesn't get stung when he's out and about if he insists on wearing his beloved Akubra, and enjoying a can of sweet sarsaparilla. You might hear him belting out a little Bon Jovi or Men at Work from time to time, but our Dallan likes to keep things pretty simple - the man survived 2020 without Netflix or a Kindle.

On another note, there are too many instances in this world where vulnerable women and girls are exploited and taken advantage of. As active supporters of the anti-child trafficking movement, Dallan and his wife are always looking for ways to further that movement. As a father of a young girl, he is motivated to fight for those who don't have a voice. That's why, every time you work with Dallan, you are also supporting the Keep A Girl Safe initiative in Cambodia through our [Beyond numble](#) giving program. A safe and carefree childhood is every child's right.

MEET THE REST OF THE TEAM

SMALL BIZ, BIG IMPACT

We believe in the power of small business to create big impact on the world. As part of living our values of giving, numble is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through B1G1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)
