

MEET YOUR BOOKKEEPER

→ SHELLEY

Shelley will be your primary contact at [numble](#).

Shelley also trains and mentors our staff, so you may sometimes get a two-for-one deal, at no extra cost.

Shelley can be reached at shelley@numble.com.au or via phone on [1300 852 575](tel:1300852575).

One half of the dynamic duo that brought [numble](#) to life, Shelley is our beloved TN (Team Number) and trainer extraordinaire. Affectionately nicknamed 'Shells Bells', Shelley loves birthday breakfasts in bed and collecting beautiful art. While Shelley really dislikes last-minute changes in plans – she'd drop everything if Meryl Streep called or if she had the chance to meet Blondie's Deborah Harry.

The ultimate perfectionist and a stickler for detail, she is also a talented bookkeeper. Be warned though, should you ever be stacking a dishwasher when she is nearby - her ability to fit dishes and cooking utensils into a single load is the stuff of legends (as is her annoyance if you fall short). Playing jenga with the dishes aside, Shelley is a woman who knows what she wants. Specifically, what she'd eat if she could only eat one meal for the rest of her life: lamb shanks slow-cooked in an olive and tomato sauce on sweet potato mash with steamed asparagus and sugar-snap peas on the side. Wow, another display of her attention to detail!

Passionate about providing all Australian children with equal access a quality education, Shelley supports learning hubs in remote Indigenous communities as part of our [Beyond numble](#) giving program. After raising two children in Sydney, and seeing the educational opportunities they had access to, Shelley feels very strongly that literacy and computer skills are vital for us to be able to navigate the ever-changing world we live in. She believes that it is everyone's responsibility to ensure that remote and regional community students be on equal footing with their urban classmates.

MEET THE REST OF THE TEAM

SMALL BIZ, BIG IMPACT

We believe in the power of small business to create big impact on the world. As part of living our values of giving, numble is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through B1G1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)

numble specialises in providing tailored bookkeeping, BAS and financial management services to Australian small businesses like yours, so that you can focus on other important things.

It is our business to support you to be successful, profitable and sustainable, with the peace of mind that your finances are being taken care of to a high standard.
