

# MEET YOUR BOOKKEEPER

## ALBA

**As your dedicated bookkeeper, Alba will be your primary contact at [numble](#).**

**Alba can be reached at [alba@numble.com.au](mailto:alba@numble.com.au) or via phone on [1300 852 575](tel:1300852575)**

Let's meet the lovely Alba! Alba is one of our experienced and proficient bookkeepers and BAS agents, having worked in the industry for 20+ years. Within those years of experience, she has performed bookkeeping for the construction, trade, care, marketing, hospitality, and service industries. With a focus on strong communication, you will find your accounts will always be straight, clear and correct. She loves to train staff effectively in software use and relishes in the opportunity to fix the books of any disorganised business. Her clients value her as a very accurate and consistent bookkeeper.

Her spirit animal is the lioness, which has as much to do with her fierce loyalty and independence as it does with her beautiful mane of hair. Whether she's belting out Cyndi Lauper's 'Girls Just Want To Have Fun', or enjoying a good laugh, Alba is always the life and heart of the party. Listing 'Love Actually' as her all-time favourite movie, you may also find her on your doorstep one day holding up cue cards to express what she needs you to know. Things like 'Stop posting transactions to the wrong account', 'You're using the wrong GST code', or, 'You can't post that personal expense through the business'.

Love is a strong focus of her life. None so much as her love for her family. Alba is very easily pleased in life as long as it involves spending time with her family. Whether it is simply hanging out with them on weekends, or holidaying with them at her favourite place on earth – Jervis Bay. But, whatever she does, she will always gladly top it off with a nice cold ice coke.

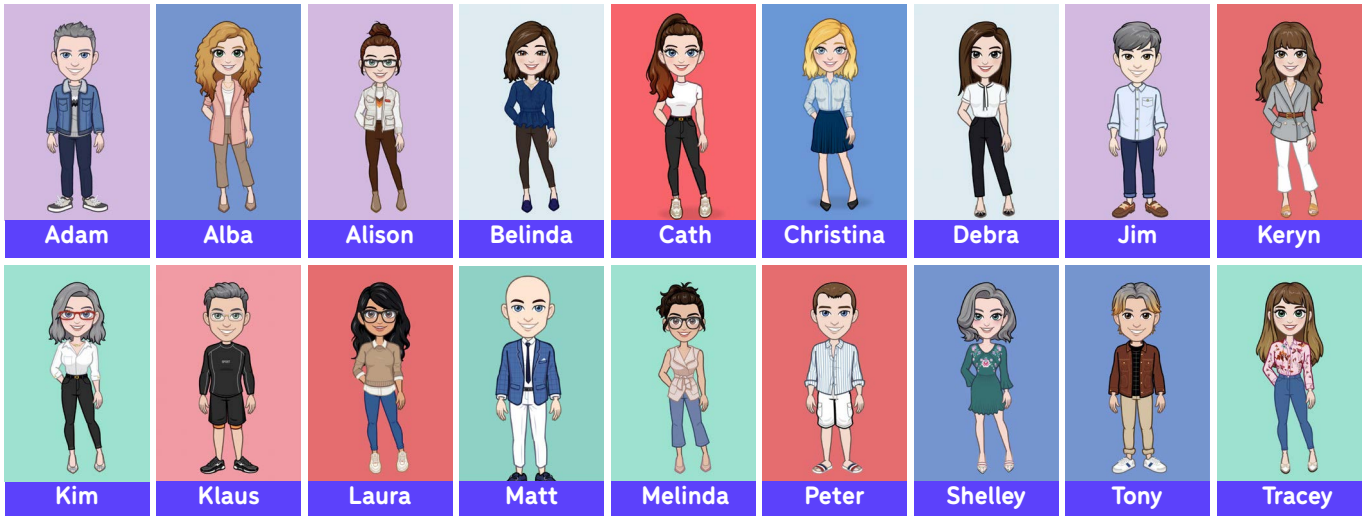

While she may be capable of a fierce roar, Alba is also a stickler for doing the right thing and her focus on order makes her an excellent bookkeeper. But watch out, she is always looking for an opportunity to come up with yet another report – if only the software developers would listen to her. If she was a superhero, Alba would want her superpowers to be invisibility and super speediness – presumably so she could whip around and make sure your BAS is lodged on time! She loves pizza and her ideal coffee date would be with author and comedian Wendy Harmer.

Every time you work with Alba you are also supporting the Indigenous Literacy Foundation as part of our **Beyond Numble** initiative. Alba believes that education is the most powerful and effective tool in helping to close the gap in health and literacy between Indigenous and non-Indigenous Australians. She wants to live in a more equitable country where everyone has access to the same rights and opportunities.

**numble's** team of qualified bookkeepers are here to ensure your business accounts are accurate and up to date. If you need extra support, a different point of view, or want to give feedback, please [click here to book time for a chat.](#)

# SMALL BIZ, BIG IMPACT

## MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

**HOW IT WORKS** - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

**MAKING A BIG IMPACT** - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

**HOW TO GET INVOLVED** - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

## OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

## SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)

**numble** specialises in providing tailored bookkeeping, BAS and financial management services to Australian small businesses like yours, so that you can focus on other important things. It is our business to support you to be successful, profitable and sustainable, with the peace of mind that your finances are being taken care of to a high standard.
