

DEBRA

As your dedicated bookkeeper, Debra will be your primary contact at [numble](#).

Debra can be reached at debra@numble.com.au or via phone on [1300 852 575](tel:1300852575).

Debra, otherwise known as Deb (or Prue - you can ask her where that nickname came from!) is both a wizard with numbers and an adventurer at heart. Deb has extensive experience with managing Aged Payables and Receivables and can reconcile a bank account with one arm tied behind her back. This may come from her self-professed love for any kind of accounting system. She is truly an Accounts Pro and seasoned bookkeeper.

Synergy between herself and the client is met when her passion for business meets their passion for business. That synergy also involves quick responses, easy and friendly interactions and making sure bills are paid on time. She is most happy when she is saving the sanity of her clients. Her dream as a young person was to become a travel guide or photographer. While Deb has yet to realise that dream, she did come to us after a few years managing the books of a New Zealand adventure company. But she believes her biggest success in the bookkeeping world would have to be when she worked in tourism for Jucy. For her, the team environment was outstanding, which led to a feeling of success and high achievement within the business.

Passionate about exploring and hiking, Deb also has a strong affinity for animals and would love the opportunity to wander the great outdoors with her idols, Sir David Attenborough and Dame Daphne Sheldrick. This passion for the outdoors is reflected in her love for elephants, Africa, jumping off mountains and photographing it all along the way.

When she's not knee deep in bookkeeping, or out and about exploring, Deb loves spending time with her family and their beloved White Swiss Shepherd Dog, Napoleon. An avid book collector, she loves settling in for the night with a great read, after cooking up her signature roast for family and friends.

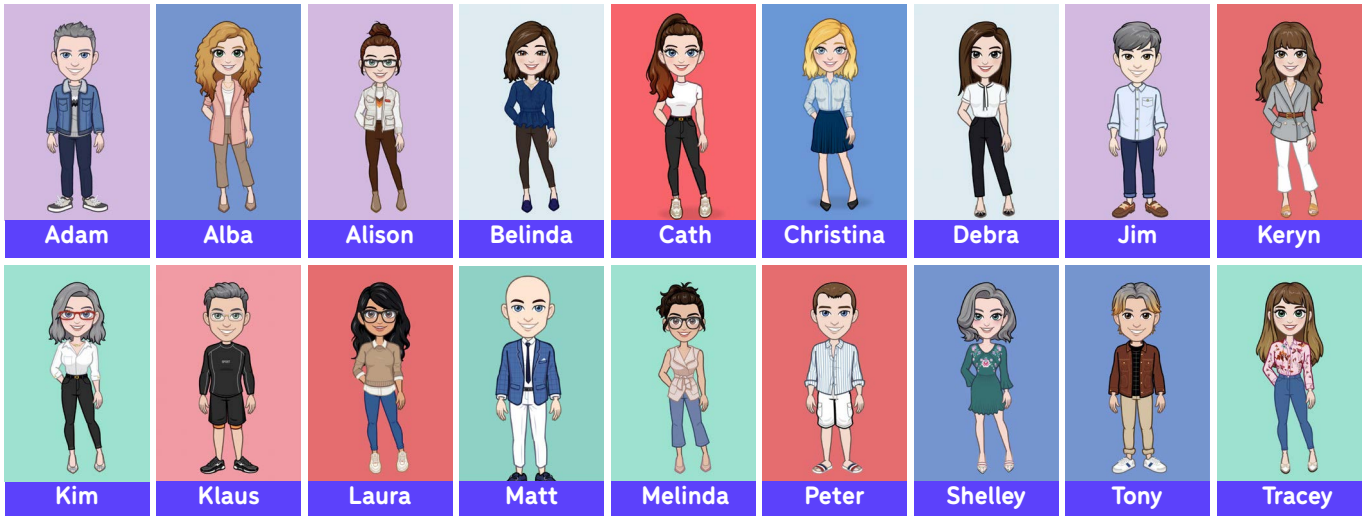

If Deb could go back in time, she'd love to head back to the 60's and hang out with legendary guitarist and singer, Jimi Hendrix. And if she could pick just one superpower, it would be to fly, though she wouldn't mind the power to stop her husband leaving the toilet seat up!

Passionate about the environment and our amazing planet, Deb has chosen to plant trees in the Daintree through our [Beyond Numble](#) giving program. She believes it's important to protect and preserve our beautiful rainforests and the land that we hold dear. In fact, Deb continues to plant gums on her own acreage so her resident koalas will have a healthy and happy home, for years to come.

SMALL BIZ, BIG IMPACT

MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
