

# MEET YOUR BOOKKEEPER

**JIM**

**As your dedicated bookkeeper, Jim will be your primary contact at [numble](#).**

**Jim can be reached at [jim@numble.com.au](mailto:jim@numble.com.au) or via phone on [1300 852 575](tel:1300852575).**

With a glass-half-full approach to life, Jim is our staff quiet achiever. Not only does he take excellent care of his client accounts, Jim also does an amazing job of looking after the accounts for **Numble**. He brings with him depth and experience, with 25 years as a bookkeeper and BAS agent. At Numble he is recognised for his ability to focus, problem solve and work hard.

While not much of a talker, Jim is passionate about broadening and improving his bookkeeping skills. However, get him on the right topic and he will talk your head off. Perhaps those topics would include such things as: Barbara Streisand, stamp collecting, and what it's like to share steamed fish with his family during the Spring Festival – quite the range!

There's a side to Jim that seems quite out of character, but we all have a hidden identity, don't we? He has a secret desire to sit in a quiet cafe in Europe sipping tea – shaken, not stirred – plotting his next move as a secret service agent. Perhaps we might see him one day in full throttle preparing to die another day

He says he doesn't like crowded or noisy places, but his hero is someone who makes a big splash: Hong Kong movie star, Chow Yui n-fat. If he could go on tour with any band, it would be 'Beyond', a famous Hong Kong band from the 80s and 90s. Although Jim wishes that he had the ability to soar like an eagle or swim like a fish, his favourite animal is the horse – perhaps for their independence and sincerity. On a typical karaoke night, you might hear Jim's attempt to belt out Secret Garden's 'You Raise Me Up', though he is definitely the poster-boy for 'still waters run deep'.

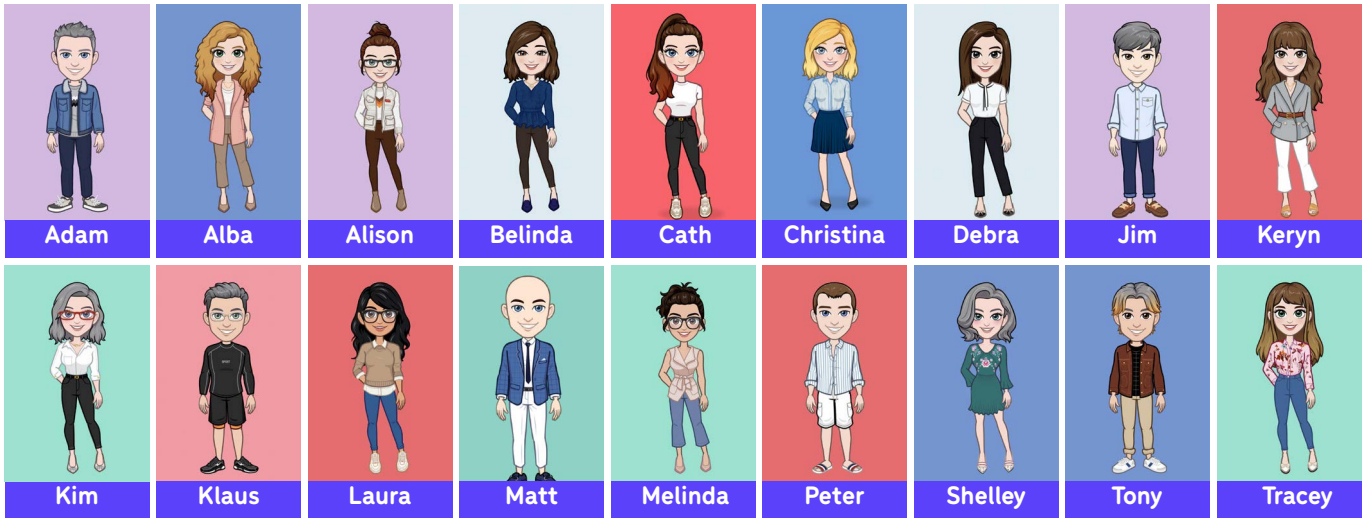

All this aside, Jim says he loves being a bookkeeper because it means he can partner with a business in leading it to success. He thrives on the continuous opportunity to learn as he does so. As long as he can put his head down, not get distracted by what's going on around him, or have people continuously interrupting him, he will be a true asset to any business. Jim comes with experience in such areas as consultancy, creative services, E-commerce, hospitality, retail and trades.

Passionate about clean water, Jim has chosen to align his **Beyond Numble** choice with Sustainable Development Goal #6: Water and Sanitation. He believes that each and every person should have access to clean, safe water because it is vital to everyone's lives. Jim is happy to be able to contribute to this goal through his work so that everyone has access to this basic human right.

# SMALL BIZ, BIG IMPACT

## MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

**HOW IT WORKS** - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

**MAKING A BIG IMPACT** - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

**HOW TO GET INVOLVED** - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

## OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

## SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)
