

KERYN

As your dedicated bookkeeper, Keryn will be your primary contact at [numble](#).

Keryn can be reached at keryn@numble.com.au or via phone on [1300 852 575](tel:1300852575)

Keryn is a fast, accurate and insightful senior BAS Agent here at Numble. In the prophetic words of Cher, if she could 'turn back time', Keryn would travel back to the 80s where big hair and great music was the thing! But you will never find her behind a microphone singing Karaoke and says that the world should be happy about that. While she is a superstar to us, don't tell her because she values her privacy too much to become any kind of VIP.

Over the years Keryn has worked with a number of start-ups and helped them grow, scale and evolve into multi-million-dollar businesses. But she will tell you that her biggest work-related success has been, and continues to be, helping to turn around the financial position of a community bowlo that was facing bankruptcy. Maybe this community focus finds its roots within Keryn's love of the movie Erin Brockovich where Erin states, "Corporations in communities need to be better neighbours". When she is not working hard to help grow, scale and evolve businesses, you will find her pottering around in the garden, enjoying time with her beautiful daughters, or simply relaxing in front of the TV.

With the birth of her first child, Keryn left the stress and rigidity of her corporate accounting life to chase the dream of a work life balance. Keryn is one of our longest serving and most experienced bookkeepers, and she is one of our most talented, experienced and skilled BAS Agent, who is always happy to help her peers when things get tough. She manages some of our most challenging and complex clients.

Her industry bookkeeping experience over the last 20 years has been extensive, boasting clients, from advertising, design & marketing, hospitality, medical, real estate, trades and other professional industries. For her a great client is someone who is respectful of others, particularly their employees, and someone who makes a genuine effort to comply with all requirements.

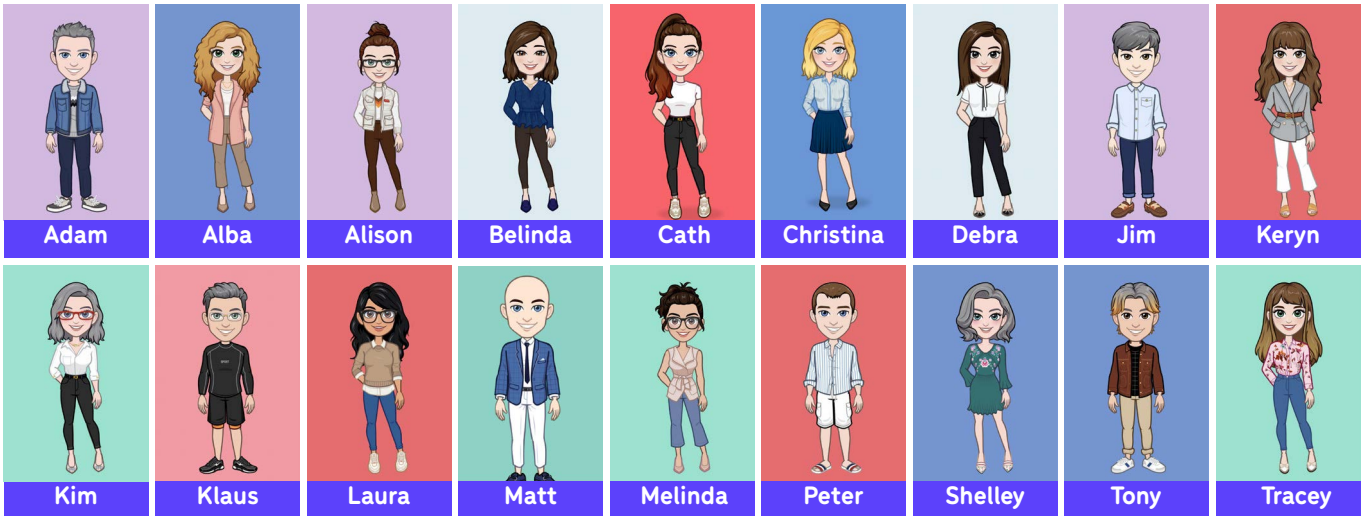

Keryn loves people. She particularly loves working with different people across many industries as a bookkeeper. She also has a great admiration for strong women who display courage and conviction. Politics aside, two of her most admired people are Gladys Berejiklian and Kerry Chant.

Keryn's chosen cause, as part of our [Beyond Numble](#) giving program, is the Wayside Chapel. Having grown up in a rural community where everyone always helped each other out, Keryn loves how Wayside takes care of people in the community, without judgement.

SMALL BIZ, BIG IMPACT

MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
