

TRACEY

As your dedicated bookkeeper, Tracey will be your primary contact at [numble](#).

Tracey can be reached via phone on [1300 852 575](tel:1300852575) or tracey@numble.com.au

Tracey currently works at Numble as a senior bookkeeper and BAS Agent. Having worked as an Operations and Finance Manager for a Communications Company before joining Numble, she has extensive experience in all aspects of bookkeeping and business management. She has a strong work ethic, providing accurate accounts, and ensuring you will never feel lost within the facts and figures of your business. Tracey focuses on identifying and correcting GST errors, accurate transaction postings and completing all bank reconciliations.

They say home is where the heart is, and Tracey is very much at home enjoying a good book, grilling fish and eating salad with a side of sticky date pudding for dessert. While some might claim she should come with the warning label "too much detail", I think this is a perfect moniker for a skilled bookkeeper like Tracey. For this reason, Tracey is also the face of our vlog segments on Numble's blog articles. She is articulate, experienced and very much focused on the business of bookkeeping.

Tracey claims she has a mammoth fear of heights. But don't believe everything you read. On occasion, she has been known to break free, soaring down and through the air on the cruise ships Green Thunder. All while singing 'Don't Stop Me Now'. Tracey loves her mum so much that she would definitely include her in a shared meal with her other heroes; Fred Hollows, David Attenborough, and Bette Davis.

Though her first movie choice would certainly be Shawshank Redemption, you'd be safe in guessing that 101 Dalmatians would not be too far down the list. Tracy owns a rescue dog named Billie who is, you guessed it, a Dalmatian (with a kelpie twist). She loves to walk Billie, but hates when other people don't pick up their dog mess.

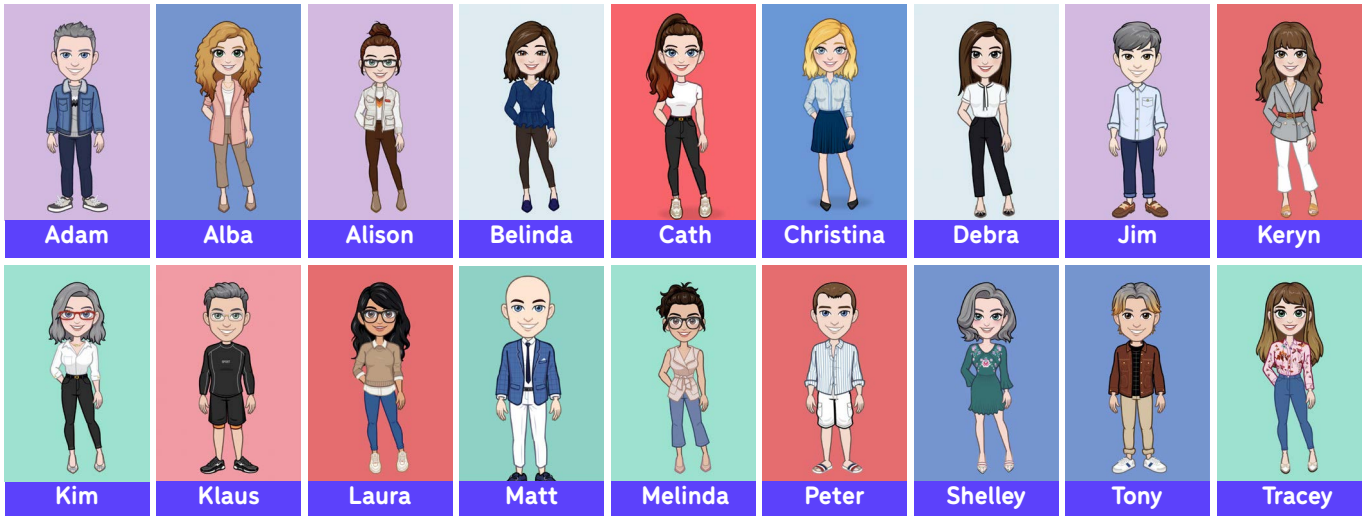

Tracey has always been an avid tennis player and, though in younger years she would have chosen to ride a horse to a match, today her mode of transport is definitely a bike. She lists her greatest achievement in life as her two children, who have both gone on to become great parents themselves. Her favourite holiday destination is anywhere warm, and I would have it a guess that dolphins might be a part of that experience. Throw in a nice glass of champagne and she would be content.

As you work with Tracey, you will be pleased to know that you will also be helping to sustain and save one of the world's oldest rainforests. When asked what [Beyond Numble](#) cause she wanted to support, Tracey responded with "there were so many amazing projects for me to choose from, but I had to go with one that was close to home - Planting trees in the Daintree".

SMALL BIZ, BIG IMPACT

MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
