

JESSICA

As your dedicated bookkeeper, Jess will be your primary contact at [numble](#).

Meet Jessica (Jess), who isn't just one thing – she's a bit of everything, with a love for life's unique flavours and a good dose of self-awareness. For her, tea is the drink of choice, particularly herbal tea, but she's been known to take on a fast now and then, lasting up to 72 hours! In that rare case, she fuels up with a few watered-down coffee shots.

Jess might be the newest member of our Numble family, however, her experience in bookkeeping and taking care of the accounts for Australian small businesses, is deeply rooted in all her previous work. After working with a number of accountants and business advisors between 2007 and 2019, she found her true path in accounting. In 2012 she completed her Diploma of Accounting and then in 2019 she qualified as a BAS Agent. Since qualifying, Jess worked with a business mentoring company and a family restaurant as a bookkeeper and BAS Agent. She brings her skills to Numble as a Senior Bookkeeper and BAS Agent.

As a Dirty Dancing fan (nobody puts Jess in a corner!) she loves a classic vodka soda with lime whenever the time calls for it. As a kid, she dreamed of being a police officer, a goal she's replaced with raising two energetic kids and spending quality time with them whenever she can. As well as being a fun mum, she is a devoted dog lover, and the proud owner of two pups, who along with the kids, keep her super busy. On the rare occasion Jess finds time to relax you'll find her either reading a good book or binge-watching the latest Netflix series.

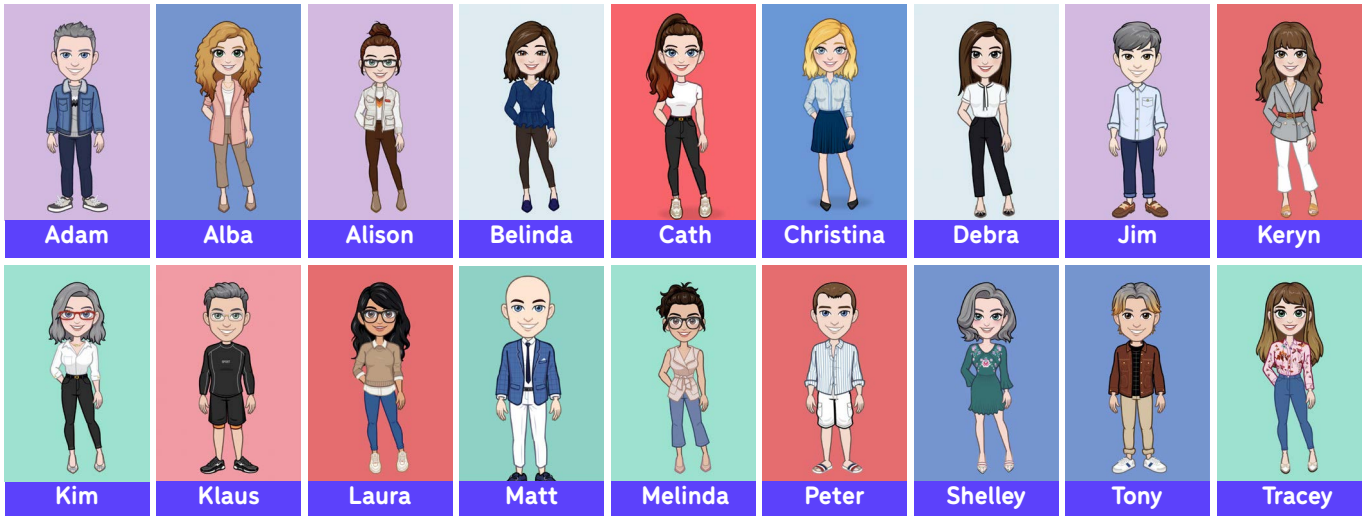

If you haven't already guessed, family means everything to Jess, and she's happiest on 'Sunday Funday', a tradition she holds dear. If you're coming over for dinner, expect her signature roast lamb with veggies – a meal she could eat forever, if it was left to her. While Jess's glass may be half empty (she's refreshingly honest about it), she's always ready for a new adventure, from learning new software systems and trying snails through to pondering which past band she'd join if given the opportunity – The Steeldrivers. Given the choice to meet a celebrity, she'd pick Chris Stapleton over coffee any day, admiring his down-to-earth nature and incredible talent.

Jess has chosen to provide textbooks for Primary School Children (Kenya) through our [Beyond Numble](#) giving program. She believes providing a small educational tool such as a book may provide the means a child living in poverty requires to take a path their parents unfortunately did not have the opportunity to do. Children are our future. Their minds should be stimulated to make this world a better place.

SMALL BIZ, BIG IMPACT

MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
