

# MEET YOUR BOOKKEEPER

**LUCI**

**As your dedicated bookkeeper, Luci will be your primary contact at [numble](#).**

**Luci can be reached at [luci@numble.com.au](mailto:luci@numble.com.au) or via phone on [1300 852 575](tel:1300852575)**

Introducing Luci is like flipping the switch on 1,000 light bulbs—her energy is dazzling. As a bookkeeper with nearly two decades of experience, Luci brings both depth and dedication to Numble’s team. She’s a powerhouse—not just in bookkeeping and BAS, but in life itself.

There’s something magical about Luci. It might trace back to her childhood wish to be Samantha from *Bewitched*—nose twitch and all. Today, she channels that spark into her extensive understanding of business and expert-level bookkeeping skills. With a touch of flair, she really is the full package. Her financial and managerial expertise runs deep. Luci has served as Chief Financial Officer, Office Manager, and BAS Agent for various company groups across industries like Construction, Hospitality, Aviation, Landscaping, Marketing, and Early Learning. She’s become fluent in business and staffing analysis, giving her keen insight into systems and operations—and the instincts to improve them with precision.

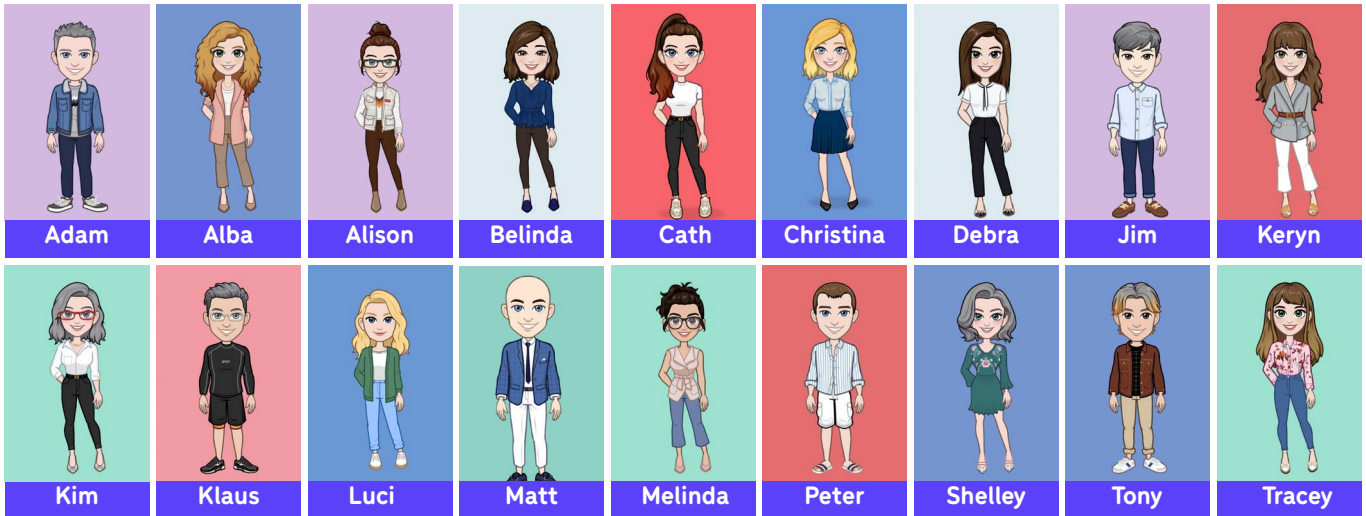

Each day begins with a white tea followed by a mid-morning cappuccino—fuel for someone who’s not only wrangling figures and deadlines, but tackling natural disasters head-on. Outside work, Luci is a Senior SES leader whose organisational skills are tested across floods, fires, and storms on Australia’s east coast. Through it all, she still manages to keep client work on track.

Luci’s chosen superpower? To make the world forget that war is the answer—and embrace chess as the better way to resolve conflict. Her outlook on life is refreshingly simple: ride through life on the back of a motorbike, while admiring the mix of strengths and vulnerabilities in those around her. Just keep riding, facing down obstacles, and embracing change with courage.

Her passion project is just as heartfelt. For her [Beyond Numble](#) cause, Luci has chosen to champion [Care Packs for Farmers Affected by Natural Disasters](#)—a cause tied closely to her ongoing rescue work with NSW SES. Most recently, she deployed to Taree for flood rescues during the 2025 Northern NSW floods. In her own words, she “lives, eats and breathes SES.”

## MEET THE WHOLE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

**HOW IT WORKS** - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

**MAKING A BIG IMPACT** - Through BIG1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

**HOW TO GET INVOLVED** - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

## OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.

## SHARE YOUR STORY WITH US

We would love to share your great work, so please get in touch if you'd like to be featured on our website and social media platforms. Don't forget to connect with us on LinkedIn and 'like' us on Facebook. [Welcome to the numble family!](#)
