

MEET YOUR BOOKKEEPER

JANNINE

As your dedicated bookkeeper, Jannine will be your primary contact at [numble](#).

Jannine can be reached at jannine@numble.com.au or via phone on [1300 852 575](tel:1300852575)

Jannine is a veteran at all aspects of bookkeeping and accounting, starting her career out (in the very late 90's) with an MBA in Small Business Management and then moving on to more detailed certifications in Business Admin, Financial Services and Training and Assessment over the coming years.

Her experience extends to the realm of both self employed small business owner and in other outsourced businesses, and is impressive to say the least. Managing all aspects of accounting and payroll across a group of companies in NSW and QLD including BAS, superannuation, payroll tax, budgets, recruitment/onboarding staff, business innovation and problem solving.

Known as Neen to her family and friends, Jannine is not fussed about whether it's tea or coffee, but it must be white, with just a little sugar. You want to hope she invites you over for a meal sometime, because wood-fired pizza would definitely be on the menu. While you're there, ask her about the time she ate Witchetty grubs. But please don't ask her to sing Karaoke because she'll probably pull out her harmonica and start singing Dirty Old Town by the Pogues.

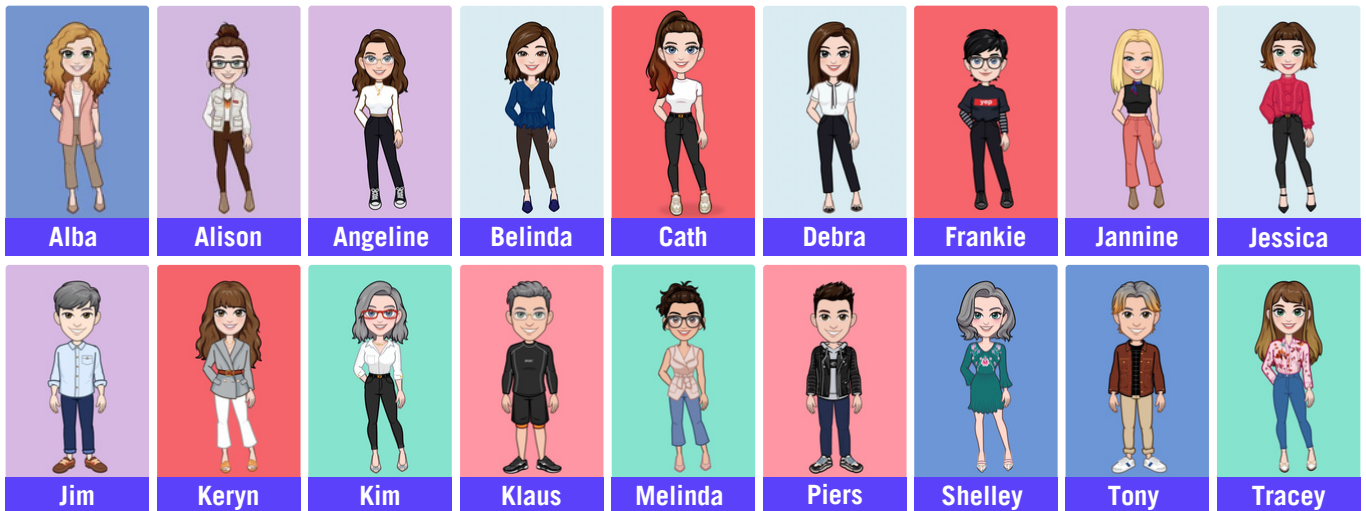

Her mum is her hero and if she had a choice of who to spend time with it would be a sibling catchup. But if Ricky Gervais happened to turn up too, then her life would be complete.

She'd love to go back in time to the 1920's if she could, however, the plastic fish fishing shoes she got for Christmas one year would not be going with her. They are well and truly tucked away somewhere in her wardrobe with all her other numberless shoes.

As her [Beyond Numble](#) charity of choice Jannine has chosen Wayside Chapel Australia, because she believes it's important to give a 2nd chance to people who have lost their way.

MEET THE REST OF THE TEAM

We believe in the power of small business to create big impact on the world. As part of living our values of giving, **numble** is committed to making a positive contribution to the world beyond our work by actively engaging our staff and clients in 'giving back'.

HOW IT WORKS - Your bookkeeper has chosen a social purpose project that's important to them and aligned with one or more of the UN's Sustainable Development Goals. You can discover their chosen project, and what it means to them, under 'Meet your Bookkeeper' on page 1. Every time they do a piece of work for you, we make a donation to their cause on your behalf. It's that simple!

MAKING A BIG IMPACT - Through B1G1, a global giving platform that helps businesses make a meaningful social impact, and our support of the Indigenous Literacy Foundation and Wayside Chapel, we are on target to reach our goal of 200,000 'impacts'. You can follow our progress on this journey on our website.

HOW TO GET INVOLVED - We are committed to empowering and inspiring small businesses to create positive and life-changing social impact through their work. If you are as passionate as we are, about embedding a culture of 'giving back', we would love to be able to support you on your journey. Individually, we can all make a difference. Just think what we can achieve together!

OUR CLIENTS ARE ALSO PART OF THIS PLEDGE

Embedding giving into the core of our business promotes engagement and investment at every level of our company. Staff choose a project that resonates personally with them. Every piece of work they produce for you, results in the support for a cause that makes a positive difference in our world. All donations are linked directly to our client work and are made on your behalf. Each chosen project is also linked to at least one UN Sustainable Development Goal.
